Steering A Committee Meeting

Date: 8/08/2016

Time: 5:30pm

Location: White County Courthouse

The White County Steering Committee A met on Monday, August 8th, 2016 at the White County Courthouse. Members present were Stanley Neal, Karen Lafever, Diana Haston, Dale Bennett, Bruce Null, and Bruce Frasier. Also present were Denny Wayne Robinson, Stephanie Smith, Paul Bridges, and several visitors. Absent was Harold England.

There being a quorum present, the meeting was called to order by Chairman Stanley Neal and prayer was led by Bruce Null.

Mr. Neal asked for approval of the minutes from the previous meeting. Bruce Null made a motion and Bruce Frasier seconded the motion to approve the minutes as presented. The motion was approved.

Report from Parks/Rec Advisory Board:

There was no report due to there being no meeting by Parks/Rec Advisory Board. There was discussion to review the rules again of this subcommittee and possibly make changes at the next meeting. A suggestion was made to invite the members of this subcommittee to discuss changes.

Discussion on Gukse Road House:

Denny Wayne Robinson discussed citizens interested in renting the house and what may be done. Members discussed the possible revenue that could be created by renting the house. The matter was tabled to be revisited next meeting.

Animal Shelter:

Denny Wayne Robinson discussed that Mike Sparks has been removed as Director from the White County Animal Shelter but remained a county employee and would report to Denny Wayne Robinson. Mr. Robinson advised Mr. Sparks will continue to pick up dogs, which will be then placed in designated spaces outside the shelter for Stephanie Smith, and he will work around the county as Mr. Robinson needs him. Mr. Robinson also mentioned the apparent misunderstanding and concern with regard to the part-time help hired at the shelter but only working the days Stephanie is there rather than the two days she is not.

There were several speakers and organizations present including Monica Jicha with White County Humane Society, Barbara Brown with AARF, Anita Farley, Marie Gordon with Nashville Humane Society, Ms. Keefe with Cookeville K-9 & Friends, Mary Johnson, Carol Morgan with Safe

White County, Tennessee

Haven Puppy Sanctuary, Carly Southworth with Nashville POPS. They spoke of the hard work, dedication, and sacrifices Stephanie Smith has made to improve the animal shelter the past few years and the lack of work Mike Sparks has done as Director there. They also voiced concern that Stephanie will now be responsible for 100% of the shelter with no additional help and that Mike Sparks is not being held accountable for his actions or lack thereof.

Stephanie thanked everyone for their support. She stated she wanted a partner at the shelter who will do the job and that Mike Sparks has continually failed to do so. Stephanie stated Mr. Sparks has repeatedly damaged and failed to fix equipment at the shelter and is gone a lot leaving the work for Stephanie and volunteers to complete.

Committee members commended Stephanie for the job she, the staff and volunteers have done and improvements she has made at the shelter. Members acknowledged that she needs help and discussed procedures and actions, as well as rules and regulations of the shelter. They advised that they will work to resolve this matter.

Old Business:

None

New Business:

Paul Bridges was present to discuss a problem with speeders along Alexander Road where he resides. Mr. Bridges stated he has spoken with Road Supervisor, Clay Parker, who told him the speed limit was 45 mph there. Mr. Bridges stated it had become dangerous along Alexander Road, which is a residential neighborhood and established subdivision. He advised the Sheriff's Dept. was unable to do much to help because they are short-handed and unable to spend any significant time in that area. Stanley Neal discussed the roadway should be 25 mph and signs posted. Karen Lafever made a motion to establish the road as 25 mph and post signage, and Bruce Null seconded the motion. All approved.

There being no further business, Karen Lafever made a motion and Diana Haston seconded the motion to adjourn. The motion was approved.

Next meeting will be September 12, 2016, at 5:30pm.

Directors Report:

Keith McCulley reported we have received the Bomag Compactor however our dozer and now a truck are non-operational. He states they are looking for an engine for the truck however we will need to purchase a dozer.

Keith states both he and Denny Wayne had a recent meeting with TDEC. The State is concerned about the remaining life of our current cell as well as our steep slope issue. Our slope issue will need to be addressed before the cell gets full. The State wanted to make sure we had a plan in place to handle trash once the cell is full. Keith stated the slope issue is beyond our scope of ability with our equipment and will need to be contracted out.

BK Luna recently spoke with a Caterpillar Representative who recommends we purchase a Waste Handling Dozer. Mr. Luna further states it will cost more money but will last longer. The last quote the County received within the last year on this type of dozer was approximately \$800,000.00. Terry Alley asked Chad Marcum what we would need to do to purchase this type of dozer. This would be a debt issuance and the committee would need to address the lack of revenue. Mr. Luna stated that the \$5.00 fee was too cheap for the past 7 or 8 years and it had never been raised. There was discussion on revenue generated by the \$5.00 fee. No action taken.

Discussion on wood bins at the convenience centers. Several members had questions about the remaining wood bins at the convenience centers. County Executive addressed the committee regarding the centers that had these bins. These bins were intended for furniture. Keith stated that signs have been made for the bins however they have not been placed on the bins yet. Mr. Luna expressed that the wood bins need to be removed from the convenience centers. There was further discussion on convenience center issues regarding out of town trash and the lack of monitoring by convenience center employees.

Mr. Null asked the committee for any old business:

County Executive updated the committee on the progress with hiring a new Engineer. Request for qualifications have been sent out and notice has been advertised in the Expositor. We anticipate hiring a new engineer in the next two weeks.

Ongoing discussion on the challenges the landfill is facing due to lack of funding for new equipment, the steep slope issue and the closure of the current cell. There are fixed cost with operating the landfill in addition to these challenges. Different options discussed regarding the cost associated with a transfer station, recycling, bringing in trash from different counties or continuing current landfill operations at an estimated cost of 3 million dollars.

County Executive discussed another option with the committee. He has been contacted by a company regarding a facility that actually burns the trash. He went on to say that he would like to see us transfer the trash out until we can develop a new plan for our landfill that the state will approve.

Mr. Null asked the committee for any new business:

Stanley Gibbs inquired about illegal dumping. He states he is having an issue with someone dumping on his property. The committee advised him to seek legal counsel.

Keith states there was an extra set of wheels that came with the new Bomag compactor however due to weight restrictions, we were not able to have them delivered with the compactor. The committee agreed it was in our best interest to obtain quotes to have the wheels shipped to the landfill.

There being no further business, Terry Alley made a motion and Matt McBride seconded the motion to adjourn. The motion was approved.

To whom it may concern

We are interested in renting the home on Guhse Road. The minute we seen the home we absolutely fell in love with it. It is in a great location and seems to have great potential. We currently reside in Cassville and we are interested in maintaining our residency within White County.

We are proposing to rent the home for \$550 a month. We will help to improve the exterior of the home. We have not had the opportunity to view the interior of the home but we are willing to improve the interior space as well.

We are also willing to assist with the upkeep on the recreational fields located by the home.

Please consider our interest in the home. We anticipate hearing back from you.
